The Mysteries of Faith - Preparing for the 3rd edition of the Roman Missal

The words we say and hear at Mass will soon be changing. There will be some changes to the prayers said by the people. The most extensive changes will be to the prayers said by the priest. Leaflets are available in each church porch explaining why these changes are happening, when they will occur and how we will prepare for them in this Diocese.

This leaflet can also be downloaded from our website www.tullylish.com

FEAST OF THE SACRED HEART OF JESUS

Friday 1st July 2011
Novena to the Sacred Heart
Thursday 23rd June - Friday 1st July

The Novena Prayer will be continue to be said at each Mass in the Parish

Lord Jesus Christ, your heart was moved by compassion for the men and women who came to you in need. You healed the sick, you fed the hungry, you forgave sinners, you cried over Jerusalem. Above all you showed to those who were prepared to listen the way to true life, for you are the Way, the Truth and the Life.
Lord, your heart is still full of compassion for us today in our many needs. Open our hearts to hear your word, to know your love and to respond to your call. In particular, I beg you to grant me the favour I now ask. *(here mention your request)*, provided that it will contribute to my own eternal good and to the building up of your Kingdom of justice, peace and love.
O Sacred Heart of Jesus, I place all my trust in Thee. (Our Father, Hail Mary, Glory be to the Father)

Novena leaflets are available in church porches, which include the Promiace of the Sacred Heart.

What do you Make?

The dinner guests were sitting around the table discussing life. One man, a CEO, decided to explain the problem with education. He argued: "What's a kid going to learn from someone who decided his best option in life was to become a teacher?". He said to another guest: "You're a teacher, Susan." he said, "Be honest. What do you make?"
Susan, who had a reputation of honesty and frankness, replied, "You want to know what I make? "I make kids work harder than they ever thought they could. I can make a C+ feel like the Congressional Medal of Honour and an A, feel like a slap in the face if the student did not do his or her very best." "You want to know what I make?" "I make kids wonder." "I make them question." "I make them criticize." "I make them apologize and mean it." "I make them write." "I make them read, read, read." "I elevate them to experience music and art and the joy in performance, so those lives are rich, full of kindness and culture, and they take pride in themselves and their accomplishments." "I make them understand that if you have the brains, then follow your heart... and if someone ever tried to judge you by what you make, you pay them no attention." "You want to know what I make? I make a difference." "By the way, what do you make?"

As our schools approach the summer holidays, and our young people move onto to another stage in their education, we wish them every success. We thank our teachers and school staff for their dedication to all our young people throughout the year and hope they can enjoy a leisurely break over the summer months.
