An Easter Prayer

I wish you the strength to be warm when the world would prefer you to be cold.

I wish you only joy for all your days that you may soothe the sorrow of others.

I wish you wonder, that you may see the glory of a loving God in all around you.

I wish you laughter and the gift of smiling that you may lighten the face of others.

I wish you the peace of silence, that you might know the will of your Lord who loves you and waits always at your side.

I wish you Easter power in your world so your surroundings, shining even into the farthest corners of your heart where your truth is kept.

I wish you Easter fire to light your days and fill them full of vision and dreams.

I wish you faith so as to walk at the side of the least of men and women and feel their pain.

I wish you hope that you might ascend the heights of compassion.

And I wish you love to be with you for all eternity.
