November - a Month to Remember

T.L.C. Christmas Sale of Work

www.tullylish.com
(the million hit website)

If anyone had told us in March 2006 that by the time we reached November 2011, there would be over 1 million hits on our website, we would probably have said 'you are delusional'. Well, it has happened! When we re-vamped the website in March 2008, the hit counter (which showed 350,000) went back to zero. During this week, it passed the 650,000 mark so, in total it has passed the magical number of 1,000,000. Over the past few weeks, one very kind 'Webster' has been forwarding some very interesting articles on Tullylish Parish from the early 1900's and they are well worth reading. We are sure that many more people may have snippets from newspapers which would help build up a very personal history of our parish. So start going through your albums or scrapbooks and see what you have. We can scan anything you have and return it. The snippet we received this week was a report on Confirmation in Tullylish in 1904! You can read the entire article on our website. Thanks to everyone who sends in articles and photos and for all the support and encouragement

Annual Christian Service of Thanksgiving and Remembrance for Patients and Staff

who have died in Craigavon Area Hospital in the Medical Education Centre, Craigavon Area Hospital (main hospital site).

The event is being organized by the Chaplaincy Team and we warmly invite anyone who has lost a loved one to take time out to reflect and to remember them. There will be an opportunity during the service to create a floral tribute so in light of this some may wish to bring a flower in memory of their loved one. Refreshments will be served afterwards and there will be an opportunity to chat with the chaplaincy team and other support staff.
