**Where Are We Going?**  
Jesus, there are a variety of lifestyles, careers and vocations that are presented to us. Show us what you want us to do with our lives. Help us to choose the path that brings life. We are experiencing a call to live, follow and serve you. Help us through the power of the Holy Spirit to understand whether this is as a Priest, Deacon, Religious Brother or Sister, Single Person or through Marriage. Each call is holy and worthy and we pray that with your grace we may be open to your love, your concerns for our broken world and recognize the touch of your hand moving and guiding us. Help us to say with Mary "I am the servant of the Lord; let it be done to me according to your word". Amen

Dear Fr Powell, Fr McDonagh, Family, Friends & Parishioners

Greetings from South Africa!

I was great to be in touch with you again during my recent home leave and still there is no *ping like home*. Your friendship and support will always be a source of strength and encouragement as I carry out my apostolate among the people of South Africa. From the bottom of my heart I thank each of you for your kindness, prayers and financial assistance.

This week I am with Fr Joe and Edmund as we conduct the national EPF leaders' conference, in Durban. Together with the leaders from South Africa, Botswana and Swaziland we will continue to discern the direction we must take to address a number of life threatening concerns facing our people (50-64 year olds). I will rely on your prayers as always.

My warmest and heartfelt congratulations to Fr Stephen Crossan, on his priestly ordination. This is a major event for the whole parish and I am so happy to share this joy with you. He is a major priest for the whole parish and I am so happy to share this joy with you.

May Christ reign in our hearts.
