Public Meeting

A public meeting with Agriculture Minister Michelle Gibberns will be held in Laurencetown Community Centre to discuss rural issues on Thurs 21st January 2010 at 7.30pm. The aim of the public meeting is to give the rural community an opportunity to hear at first hand from the Minister and to allow the Minister to hear the views of the local community and get an understanding of the issues that affect life in your rural area. Mr John O'Dowd MLA will also be in attendance.

We have had reports of vandalism to community property and recently to the Laurencetown Community Centre. Any activity of this nature is totally unacceptable in a civilised community. We appeal to parents to point out to your children the hurt and fear they can cause, especially to the elderly. As a parent you should always know where your children are.
