

Family Care Adoption Services.

ADOPTIVE PARENTS NEEDED URGENTLY

Family Care Adoption Services is an Adoption Agency, and a core part of our work is to place children with new adoptive families. We provide adoption services throughout all Northern Ireland and work with Health and Social Care Trusts to place single children and sibling groups for adoption. These children are aged from babyhood to approximately 5 years.

There are currently more children waiting to be adopted in Northern Ireland than families and there is an urgent need for new families to come forward.

All sorts of people from all walks of life can be considered for adoption.

We are waiting to hear from you!
