Why Not Study Theology?
The Dominicans are offering a programme of theology, leading up to a degree (DTh), in the distance learning format. People are enabled to study from home, with occasional study days and online support of tutors. Already hundreds have completed the programme to some level and in November 2010 37 people received their full degree.

Thanks to everyone, near and far, for all the articles and photos sent in over the past year. Please keep them coming.
We have had messages from all over the world thanking the parish for the website and how our ex-pats check in almost daily to see what is happening 'at home'.
So, if a member of your family, or a friend has something to celebrate, then please let us know - a birthday, a wedding anniversary, passed an exam, a driving test, won a game or a race - we want to hear about it!
Baptisms and Weddings - it isn't always the case that the website administrator knows about a forthcoming baptism or wedding, so if you want either on the website, please contact the parish office or calistone@tullylish.com
If we know about it, and have your permission, we will be there, if at all possible. Copies of photographs will be made available on CD if requested.
If you have church wedding photos or baptism photos taken outside the parish, leave them in the parish office for copying or e-mail to calistone@tullylish.com
