Promote Diocesan Pilgrimage to Lourdes

We wish all pilgrims who are travelling to Lourdes this week a safe and pleasant journey. We will remember in a special way the sick from our parish who travel to Lourdes this year and will hold them in our prayers throughout the pilgrimage. We also thank God for the remarkable spirit of generous service and joyful co-operation of those from our parish and diocese - the brancardiers, handmaids, nurses, doctors, priests and pilgrims who will also make the pilgrimage. Our prayers and good wishes go with them.

PETITION BOXES ARE IN EACH CHURCH THIS WEEKEND.
 If you wish to give money for a Mass or Candle in Lourdes, then give your donation to one of the Lourdes Committees.

Church Gate Collection
 There will be a collection taken up outside the church gate at all Masses on the weekend on 15th & 16th May for the Tullylish Lourdes Fund.

Do something. Either lead, follow, or get out of the way! Edgus J. Skellan

Please keep all our young people in your prayers over the next few weeks as they prepare for exams.

Selection of Eucharistic Ministers

Please think about nominating someone you know would be suitable as a Minister of the Eucharist in either Clare, Gifford or Laurencetown. If there are enough Ministers, then it will not become a burden to be "on duty" every week. If you are unsure about what the ministry entails, then speak to one of our current ministers or one of the priests. We also appeal to those who have been Ministers in the past and ask if they could consider accepting the post once again. The Commissioning of the New Ministers will take place on Sunday 20th June 2011 in the Feast of Corpus Christi.

I would like to nominate _____ as a Minister of the Eucharist in _____

I am currently / have been a Minister of the Eucharist and would be prepared to undertake another term in _____

 It is important that couples take a course of at least 2 sessions before their wedding and definitely no later than 2 months.

A young man saw an elderly couple sitting down to lunch and noticed that they had ordered one meal, and one water drink cup. As he watched, the gentleman carefully divided the hamburger in half, then scooped out the fries, one for his, one for her, until each had half of them. Then he poured half of the soft drink into the extra cup and set that in front of his wife. The old man then began to eat, and his wife sat watching, with her hands folded in her lap. The young man decided to ask if they would allow him to purchase another meal for them so that they didn't have to split theirs. The old gentleman said, "Oh no. We've been married 50 years, and everything has always been and will always be shared. 50/50." The young man then asked the wife if she was going to eat, and she replied, "It's her turn with the fork."
