Thought For Week:
 The Relationship between the father and sons in the parable of the Prodigal Son challenges us to consider how we love one another. Do we love out of a sense of duty? Or do we love because we know ourselves to be deeply loved by God? We are reminded of Pope Benedict XVI's words in Deus Caritas Est "being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person (Jesus Christ), which gives life a new horizon and a decisive direction". This Lent we pray that we will know ourselves to be loved by God and that this love will inspire us in real ways to love those in our world most in need of our care.
