

Pioneer Total Abstinence Association of the Sacred Heart

Dear Father,

I am hoping that you can do me a quick favour J

I have recently launched the Pioneer Association's Facebook page. I, therefore, would be very grateful if you could circulate this message to all the parishes within your diocese inviting them to 'like this page'.

It's another useful tool to help promote the Association's values and ideals in which you can play a significant part.

Here is the link to the page - <https://www.facebook.com/PioneerTotalAbstinenceAssociation?ref=hl>

Please promote and spread the word!
