

This year's collection for the

Hospice will be taken up outside the church at all Masses this weekend 22nd/23rd October

Please give as generously as you can.

Southern Area Hospice Services (SAHS) provides invaluable support and care to people living within the Southern Health Board Area, who are

suffering from Cancer, Multiple Sclerosis, Motor Neurone Disease and AIDS. Our aim is to provide the best quality of life for our patients and their families.

All our services are provided free of charge and we rely heavily on voluntary donations to continue providing our special care. Our website has a wealth of information about our services, how to donate and more ways to support us. Together we can help others.

Did you know? Southern Area Hospice Services relies on 73p in every pound coming from fundraising to enable us to care and support patients and their families. The Fundraising Dept has to raise £2.42 million in 2016 to maintain the level of care currently available. This equates to £201,666 per month, £46,538 per week or £6,630 per day. Please help us to continue to provide this care. Thank you.
